THE COMET

ALMA MATER

In the old historic Nazareth
'Gainst the rising sun
Stands our loved Alma Mater
Pride of days to come.
Here with daily tasks we struggle
With our goal in sight
Ever mindful of our brothers
And the Blue and White.

By thy name, dear Alma Mater
We shall win the fight;
And for us, thy sons and daughters,
Days will e'er be bright
Nazareth High, to thee we're pledging
All our main and might—
Never shall dishonor cloud thee
Nor the Blue and White!

—Earl Loudig, '31

CLASSES

THE COMET

ROBERT WILSON ACHENBACH

"Bobby"

"Bobby" is one of the Belfast "gang." His chief talent seems to be mischievous pranks. Although he may appear indifferent, he is not entirely uninterested in the opposite sex. His hobbies are hunting and ice skating. "Bobby" will probably be wearing the navy blue in the near future.

FRANK GEORGE ALICH

"Alich"

"Watch out, watch out, I gotta get my English finished." Here comes Alich, another hard worker in the fifteen minute periods. He likes to get his work finished in school, so that he can enjoy a good night's fun after school. "Alich" participated in class basketball and was a member of the Science Club. He likes mathematics and chemistry very much and hopes to become a chemical engineer some day.

Class Basketball 2, 3; Radio Club, Treasurer 2; Science Club 1.

JEAN GRACE ALTEMOSE

"Buggsie"

Jean is a peppy lassie who enjoys sports and square dancing. She is noted for the endless practical jokes she plays on her friends. One Tuesday each month finds Jean at Commercial Club in room 25. Besides finding time to write to servicemen, she also finds time to type for the Blue and White. "Buggsie" hopes, in the future, to become a hairdresser, but we wonder if a certain boy from Tatamy will change her mind.

Commercial Club 2, 3; Blue and White, Typist 3; Volley Ball 1, 2, 3; Basketball 2, 3; Baseball 1, 2, 3; Hockey 2, 3.

MARION ELIZABETH ALTEMOSE**"Marion"**

Marion, another of the more quiet and reserved Altemose clan, delights in giggling. Frequently she and Jean can be seen riding their bicycle for two. Marion's specialty is playing hairdresser to the citizens of Totamy. She writes Totamy news for the "Item." Playing baseball and sewing are her leisure time activities.

Volley Ball 1, 2, 3; Basketball 1, 2, 3; Hockey 1, 2, 3; Baseball 1, 2, 3; Commercial Club 2, 3; Blue and White, Typist 3; Comet, Typist 3

**VINCENT ORTHELLER ALTEMOSE****"Vince"**

"Vince," the tricky lad, hails from Clearfield. He enjoys talking and joking with his classmates more than studying. He likes to play basketball in gym class and was on the J. V. Squad in his junior year. "Vince" wants to be an aviation engineer. He intends to go to college for one year and then join Uncle Sam's Air Corps.

Class Basketball 1, 3; J. V. Basketball 2; Glee Club 2; A Cappella Choir 2; Operetta, Minor 2; Rando Club 1; Class, Vice President 2

JACQUELYN BARBARA ANDREWS**"Jackie"**

"Elephant is crazy about it," says little Lexie with the big pink bow in "Let Me Grow Up." Shining black hair, ability to achieve good grades, a pleasing personality, plus her own version of laughter should prove helpful in college. Besides all this, "Jackie" won the first prize in the 1944 oratorical contest. She also showed her ability as a member of Student Council and as Associate Editor of the Comet. Her heart belongs to---Oh, "Jackie," we're confused---

Senior Play, Major 3; Comet, Associate Editor 3; Oratorical Contest (First prize) 2; Blue and White 1; Forum Club 3; Secretary 2; Dramatic Club 1, 2; A Cappella Choir 1, 2, 3; Glee Club 1, 2, 3; Music Festival 1; Operetta 2; Prom, Entertainment Committee Charlaty, 2; Student Council 3; Magazine Campaign 1

THE COMET

MAE AMANDA BACHMAN

"Mae"

"Yea Team! Yea Team!" It's only Mae spurring the team on to victory. She has been one of our peppy cheerleaders for the last three years. Besides her pep in cheerleading, she is also a whiz on the basketball floor. Even though she possesses all this pep, Mae takes her good old time in getting to and from classes. Her future ambition is to become a nurse.

Dramatic Club 1; Valley Ball 1, 2, 3; Basketball 1, 2, 3; Baseball 1, 2, 3; Hockey 1, 2, 3; J. V. Cheerleader 1, Cheerleader 2, 3; Senior Play, Committee 3; Class, Assistant Secretary-Treasurer 2.

GRACE HELEN BARRALL

"Gracie"

"Gracie's" shy and quiet disposition in the classroom is quite deceiving, because outside of class she is just as talkative and full of fun as the next person. Her favorite sports are basketball and volley ball. She also loves to dance, especially with that certain person from Pennsville.

Commercial Club 2, 3.

DOROTHY MAE BECK

"Dot"

"Dot," who hails from Bangor, is a jolly little lassie, full of fun and with an unusual laugh that attracts much attention. She does not take part in sports or extra school activities because working in Murphy's 5 and 10 takes up most of her time. She is fond of dancing and bowling. We think her heart-throb is wearing the Navy Blue.

Basketball 1, 2; Volley Ball 1, 2.

GEORGE GIDEON BENSING**"Bensing"**

"Ho! Ho! Ho!" Don't get excited, folks. It's just "Bensing's" bellow at some poor fellow who has fallen down the steps. He can find time for laughing at anything, no matter how serious. "Bensing" says he doesn't mind school, but he sure is glad when summer comes. His special "love" is English. (22) He says he wants to be an undertaker, following in his father's business. One of his favorite foods is ice cream and he claims he can eat a gallon at a time. We'd have to see that to believe it, though.

Science Club 1

**BERNADINE BEATRICE BITTENBENDER****"Benny"**

Crack! "Benny's" chewing gum again. She's active in sports and always greets everyone with a smile. How does that Ford look? After what "Benny" puts it through, we're afraid to look. All joking aside, she's really a good driver. Just ask her three pals from Hecktown. "Benny" will soon leave the foursome because of the ring she wears on her third finger of her left hand. Do we hear wedding bells in the near future? They wouldn't have any connection with Moorestown, would they?

Band 1, 2, Magazine Campaign 1, Volley Ball 1, 2, 3, Basketball 1, 2, 3, Hockey 1.

ELKTON KENNETH BLAKE**"Blakie"**

The girls must certainly take a lot from this tease, "Blakie," who hails from Belfast. "Blakie" says chewing gum or talking at the wrong time is good for bad jaws. He is willing to try anything once, except schoolwork. Much of his leisure time is spent at the Penn-Jersey airport.

THE COMET

ELEANOR DORIS BORGER

"Blondie"

That long, lank, and lean figure with the blonde hair and robin-blue eyes is none other than "Blondie." Her policy is one of distributing good will and bearing no malice. Her favorite sports are ice-skating, croquet, and baseball. She hopes some day to become a beautician.

Baseball 1, 2, 3; Sale of War Bonds and Stamps 2

DONALD STEPHEN BOYHONT

"Bohunk"

Donnie, happy-go-lucky and with an excellent physique, is something to look at. His main interest in school is to tease the girls and this art he's mastered. "Bohunk's" spare time is spent helping out at a gas station and he really seems to enjoy himself working. "Donnie's" ability and quick thinking helped our football squad out of some tough spots.

Football, Varsity 2, 3; Class Basketball 1, 2, 3; Class Baseball 1, 2, 3

RICHARD FRANCIS BREINIG

"Breinig"

"Toot! Toot!" Here's the town clown on his skooter in the senior play. School work is no obstacle to Richard. However, d-e-a-r hunting is more fun, isn't it? Or maybe you'd rather go hiking with some boy scouts. Make way for "Breinig," the drummer, as he comes parading down Nazareth streets leading the band. "Breinig's" advice to the boys about the opposite sex is: "Don't waste your breath on such creatures!"

Band 1, 2, 3; Class Basketball 1, 2, 3; Senior Play, Major 3; Class Baseball 1, 2, 3.

GERALD JOHN BRINKER**"Brink"**

A quick "hiya," and then down to work. That's "Brink" arriving at school in the morning. He says that he's in a hurry to get his algebra done, but usually he ends up by participating in the general gab with the rest. He was a constant follower of the basketball team, and one night driving home from a game, he bumped the grill on his Chevy. He said he had his eyes on the road, but you can't tell. How about it, "Brink?"

Class Basketball 3, Class Baseball 3

**THEODORA ANN BROBST****"Teddy"**

Here's another versatile senior, "Emily" of the operetta and "Mrs. Holden" of the senior play. She is a member of the Blue and White Staff and has contributed to the Comet as a Music Editor. With all these activities she still has time for other things. Could it be male companionship, Teddy? Her ambition is to be a secretary, and she intends to go to business college.

Blue and White, Business Staff 1, 2, Circulation Manager 3, Comet Staff, Music Editor 3; Glee Club 1, 2, 3; A Cappella Choir 1, 2, 3, Operetta, Major 2; Music Festival 1, 3; Prom, Decorating Committee 2, Senior Play, Major 3; Magazine Campaign 1, 2, Class, Assistant Secretary-Treasurer 3, Class Historian 1.

MICHAEL ANTHONY BUCCHI**"Mike"**

"Mike" is the larger of the famous Bucchi twins. He is remembered as a varsity quarterback, and he also enjoys playing basketball. "Mike" finds school rather dry, but usually manages to come through in his studies. He has many friends.

Football 1, Varsity 2, 3; Basketball 1, Varsity 2; Class, Secretary 1, Class, Vice President 1.

THE COMET

WILLIAM ROBERT BUCCHI

"Bill"

Crash! Bang! Yes, Bill and his friends are in the lab mixing chemicals and another experiment has gone wrong. Bill's ability in football was shown by his skillful playing in many games. Although small, he certainly can run that ball down to the goal post. He is frequently seen helping his father repair shoes. Bill's interest in school lies---no, not in school work---but in a certain junior

Football, Varsity 1, 2, 3; Basketball, J. V. 1; Class Basketball, Captain 2, 3.

JANE ELIZABETH BUNN

"Jane"

Meet one of the Associate Editors of the Comet. Tall, dark, and slender, that's Jane, a favorite with all, especially Roddy. She was also Business Manager for International in the magazine campaign last year. Studious but fun loving, participating in many school activities, this reliable, even-tempered senior is sure to be successful at Hood, where she plans to take up Hospital Dietetics.

Blue and White 2, Business Manager 3, Comet Staff, Associate Editor 3, Student Council, Treasurer 2, Glee Club, Accompanist 1, 2, A Cappella Choir, Accompanist 1, 2, Operetta, Accompanist 2; Music Festival, Accompanist 1; Senior Play, Publicity Committee 3; Prom, Decorating Committee 2; Magazine Campaign 1, Business Manager 2, Class, Treasurer 1, President 2.

DONALD PAUL BURLEY

"Burley"

This Tatamy lad's attention is held by a little sophomore from room 9. If any girl is looking for a jitterbug teacher, "Burley" is the man. We'd like to know where he gets his technique. To "Burley" a school day is just another day that comes and goes. He has the distinction of being the only auburn-haired chap in the senior class.

Science Club 1; Blue and White Staff 3.

ELAINE ANNA BUTZ

"Butzie"

Elaine is one of those girls who spends much time behind a counter at Murphy's. A cheerful disposition and a gay outlook on life contribute greatly to Elaine's enjoyment of life. Her favorite sports are swimming and football. She intends to become a secretary.

DORIS ENOLA BUZZARD

"Doe"

Although Doris is a quiet type of gal, she's a "swell" pal. She enjoys music, reading, and cooking. She has contributed to the Comet as a personality writer and is a faithful member of the Girls' Glee Club. The army holds a special interest in "Doe's" heart. She hopes to be a nurse.

Glee Club 1, 2, 3; A Cappella Choir 2; Operetta 2; Music Festival 1, 3; Comet Staff, Personality Editor 3.

ROBERT YOEMANS CHAPMAN

"Chapman"

Robert wins the award as Mr. Goulding's favorite problem child. Although he seldom answers in class, we believe "Chapman" does much more thinking than he would have us believe. We know, too, that he can earn 90's if the spirit moves him sufficiently. "Chapman" spends much time at the "Y." He is a vigorous participant in basketball.

THE COMET

GERALDINE ARLENE COLVER

"Gerry"

"Gerry" is always willing to help and is well liked by her classmates. She enjoys sports and participates in most of them. As captain of a volley ball team, she has proved herself efficient. Dancing is another pastime in which "Gerry" indulges. By the way, "Gerry," to whom does the gray Dodge belong?

Commercial Club 2, 3; Volley Ball 1, 2, Captain 3; Hockey 2, 3, Baseball 2, 3, Basketball 1, 2, 3; Blue and White, Typist 3.

JAMES HUNSICKER DAY

"Jim"

"Jim" spent a vacation in Kentucky and he never did lose that Southern drawl. If you don't know the answer, "Jim" says, "The easiest way out is to stutter and stammer." He's always on hand to do any stage work needed. The Forum Club certainly thrives on "Jim's" opinions. The whole senior class has to look up to see this six foot four inch senior.

Football, Assistant Manager 2, Manager 3; Stage Manager, Operetta 2; Senior Play 3; Dramatic Club 2; Forum Club 2, 3; Athletic Council 3; J. V. Basketball 1.

GEORGE LLEWELLYN DECH

"Dechie"

"A smile for everyone" seems to be George's motto. He spends much of his time building model airplanes and hopes to join the Air Corps after graduation. He is also a member of the Science Club. George is one of our more quiet members of the class. He seems very fond of the library at noon. What's the attraction, George?

IVAN LYTLE DETWILER

"Ivan"

Ivan, who would rather talk or joke than study, likes any kind of work which is connected with farming. He spent the whole summer last year working at the hay dryer. Hunting is Ivan's favorite sport, for he would rather hunt than eat or sleep. Ivan's main ambition after the war is to buy a farm. His determination and ability to do manual work should help him succeed in his ambition.

THERESA AGNES DEUTSCH

"Terry"

Looking over the gymnasium floor after school hours, one will see a short, active figure chasing after the ball. As quick as a flash of lightning, she darts from one part of the gym to another. This is "Terry" who can most often be seen with Tessie, her close and faithful companion. Her favorite sport is basketball, and she indulges in it whole-heartedly. Her undivided attention is directed toward her special interest in Allentown.

Volley Ball 1, 2, 3; Baseball 1, 2, 3; Basketball 1, 2, 3; Hockey 2, 3; Sale of Bonds and Stamps 3; Comet Staff, Typist 3

CECELIA JULIA DIDOVITZ

"Cely"

Leaving school after her junior year, this brown eyed lassie soon discovered that acquiring knowledge had more advantages than making "undies" at the Waist Mill. Cecelia really takes her school work seriously now that she's with us again, and the results are evident on her report card. However, lessons and sports don't require all her time and interest, for a certain boy in blue seems to have captured her heart.

Science Club 3; Commercial Club 1, 2; Blue and White Typist 2; Volley Ball 1, 2, 3; Basketball 1, 2, 3; Hockey 1, 2, 3; Baseball 1, 2, 3; Senior Play, Property Committee 3; Sale of Bonds and Stamps 3; Student Librarian 2; Craft Club 2; Comet Staff, Typist 3.

THE COMET

EMERY EUGENE ENGLER

"Beeper"

"Har! Har!" It's Emery laughing at his own jokes as usual. Although far from exceptional in school work, he certainly was an addition to the football squad, and helped to bring victories to our team. "Beeper's" trademark on the football field was his red socks. Flashey, eh! Usually found in Swavely's after school and at night, "Beeper" can't quite make up his mind as to the attraction. Which Jean is it, 'Beeper?"

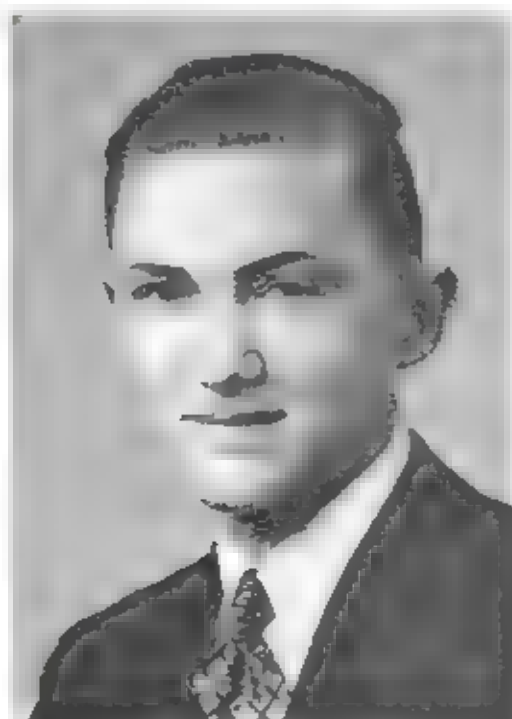

Football 1, Varsity 2, 3; Class Basketball 1, 2, 3.

JENNIE ELLEN ENGLER

"Jennie"

Jennie, slender and full of pep, is quite a gal. Although rather shy in appearance, she shows her true colors when she lets herself loose on one of those after school parties, especially when he's around. Jennie showed her acting ability as mischievous Mary Jo in the senior play. She claims that her main interest is nursing? ? ?

Dramatic Club 2, 3; Glee Club 3; Senior Play, Major 3; Music Festival 3

WILLIAM HACKMAN ERVIN

"Bill"

Being quiet in class doesn't mean that this tall, lanky, green-eyed lad doesn't enjoy conversing. Just let him find someone who's willing to lend an ear and watch his steam pour forth. "Bill" doesn't participate in sports; they're much too dull for him. William's leisure time is spent working in Bath's butcher shop.

Comet Staff, Personality Editor 3.

MARGARET ANNA FASSMAN

"Peggy"

"Peggy," a petite little miss with laughing blue eyes, is a pal to everyone. She is noted for her pleasing personality. Although she is a good student, she is also interested in sports, especially those exercises in gym class (?). "Peggy" is a faithful member of the Dramatic Club and a personality writer on the Comet Staff. Her main interest is nursing, she says, but we sometimes wonder

Craft Club 1; Dramatic Club 3; Comet Staff, Personality Editor 3, Senior Play, Property Committee 3.

LESTER EUGENE FEHNEL

"Les"

Whiz! There goes "Les" in that smooth Chevrolet. He may seem quiet, but when he is with the "gang," he is lots of fun. His interest is centered around a certain tall blonde freshman from 9-5. "Les" plans to enter the U. S. Navy in the near future.

Sale of War Bonds and Stamps 3.

GLORIA JUNE FELDMAN

"Gloria"

If you wish to know anything about the Army, Navy or Marines, just ask Gloria; for writing to servicemen is her hobby and takes up much of her spare time. Each Saturday Gloria works at Heckman's Drug Store. Some of her favorite sports are hockey, basketball, baseball and she has served as our Hockey Manager.

Dramatic Club, Treasurer 1; Blue and White, Typist 3; Athletic Council 3; Volley Ball 2, 3; Basketball 1, 2, 3; Hockey, Manager 3; Baseball 1, 2, 3; Magazine Campaign 1, 2, 3; Sale of Bonds and Stamps 2, 3; Class, Secretary 1, 3; Prom, Decorating Committee 2

THE COMET

FRANCIS FRANKLIN FLICK

"Flicky"

There is never a dull moment when "Flicky" is around, and that is one reason he is well-liked by all, especially the girls. He proved his ability when he served as boys' representative to the Student Council. "Flicky" left us to serve in the U. S. Navy in the latter part of January.

Class, Vice President 1, Student Council 1, 2; Forum Club 2.

HAROLD ALLEN FRABLE

"Hal"

"Hal" is a six foot lad who hails from Brodheads. He has a great love of speed, which can sometimes be classed as an asset, but also at other times as a liability. Harold "Valentine" Frable was the manager for the Crowell Publishing Company during the magazine campaign. His favorite sports are motorcycle riding and baseball. By the way, Harold, how many prospective members have you gathered for your Motorcycle Association?

Forum Club 3; Magazine Campaign, Business Manager 3.

KENNETH WILLIAM FRABLE

"Kenny"

Zoom! Here comes one of the Belfast gang making noise as usual. Teasing the girls is one of "Kenny's" main hobbies. He enjoys ice-skating, square dancing, and sports. "Kenny" is not too interested in school work, although he manages to get by; but he is interested in Tutamy. The dance isn't the only attraction, is it? "Kenny" hopes soon to be in the navy.

JOANNE GENE FREESTONE**"Joanne"**

"If at first you don't succeed, try, try, again!" is Joanne's philosophy of life. This persistence explains her excellent chemistry grades. This characteristic should also prove helpful at Penn State. She has served industriously as Secretary of Forum Club and as Joke Editor of the Comet. As a member of the 4-H Club, she has become a competent seamstress.

Forum Club, Assistant Secretary 2, Secretary 3, Comet, Joke Editor 3, Senior Play, Ticket and Publicity Committees 3, Magazine Campaign 1, 3; Renewal Manager 2; Student Librarian 1, 3, Class Historian 3, Oratorical Contest 2, 3

**HUNTER FRANCIS FREY****"Crow"**

Most of us remember "Crow" for his practical jokes and ever ready wise cracks. "Crow" left us to join the navy and is now in the service of Uncle Sam. Hunting, fishing, camping, and hiking are his favorite pastimes. He is interested in science and radio.

Science Club, Treasurer 3.

SHIRLEY DOLORES FRITCHMAN**"Shirley"**

Shirley and Doris can nearly always be found together. Shirley has proved her ability as Secretary and Treasurer of the Student Council, Secretary of the Athletic Association, and Co-Editor of the "Blue and White Standard." Her favorite sports are swimming, volley ball, and basketball. Shirley hopes to enter Rider College after graduation. She seems to have a hard time making a big decision. Which is it, the navy or a certain senior?

Volley Ball 1, 2; Baseball 1; Basketball 1, 2; Glee Club 1; Music Festival 1; Dramatic Club 1; Blue and White 2, Co-Editor 3; Student Council 2; Athletic Council 3; Student Librarian 2

THE COMET

MARION ELIZABETH GAUMER

"Marion"

Marion is one of those people who possesses the gift of gab. There's never a dull moment when she's around. She likes shorthand very much, and works industriously at it. Marion and her pals, Irene and Gloria, seem to be inseparable. Her favorite sports are basketball and volley ball.

Dramatic Club 1; Volley Ball 1, 2, 3, Basketball 1, 3, Baseball 3

MARTIN JAMES GAWLIK

"Martin"

Martin's policy is to leave women alone. He is tall and lanky and is greatly interested in airplanes. One can nearly always find him at the Easton Airport after school and on holidays. Usually Martin comes out on top in an argument, because he's hard to convince. He doesn't care much for school, but finds little difficulty in getting along with his fellow classmates.

Radio Club 2; Airplane Club 1, 2.

KATHERINE MAY GUM

"Katherine"

Brown-haired, brown-eyed Katherine is another one of our quiet, serious senior gals, who is Mary Jane's close chum. Music is her special field and she plays the piano with a master's touch. She is a member of the Commercial Club and is a typist for the Blue and White and the Comet. She hopes to become a secretary some day.

Commercial Club 3, Blue and White, Typist 3; Volley Ball 2, 3; Basketball 3; Baseball 2, 3, Hockey 2, Comet, Typist 3.

DONALD HENRY HAHN**"Hahnle"**

Donald, a Moorestown chap, has a keen sense of humor that makes him a likable fellow. When one sees Floyd, Donald is sure to be close at hand. His favorite sports are swimming and skating. He was one of the industrious Comet typists. Donald plans to enlist in the navy.

Glee Club 1, A Cappella Choir 1, Music Festival 1, Comet Staff, Typist 3, Prom Committee 2

**NAOMI IRENE HAHN****"Nomey"**

Always in a jocular mood, "Nomey" can brighten any conversation with her enviable gift of gab. If you want to see "Nomey" anytime, just look for Margaret, and lo! your search is ended. She seems to possess a domestic inclination, because she likes to cook and sew. She also likes to indulge in an exciting game of football. Regardless of her many interests, she sees that her homework is prepared.

Commercial Club 2, 3, Baseball 2, Senior Play, Wardrobe Committee 3, Magazine Campaign 2, 3, Sale of Bonds and Stamps 3, Craft Club 1.

VIOLA ESTHER HAHN**"Viola"**

Every morning Viola dashes into room 23 one or two minutes before the buzzer rings. Only a giggle and blushing face tell us that she has arrived. Viola does not participate in many sports, but outside of school she likes to dance, roller-skate, and bowl. She has not decided what to do after graduation. A certain person is very nice, isn't he, Viola?

Blue and White, Typist 2, 3, Volley Ball 1, 3, Basketball 1, 3, Baseball 1, 3, Glee Club 1, 2, A Cappella Choir 1, 2, Music Festival 1, Sale of Bonds and Stamps 1, 2, 3, Write-a-Fighter Club 3.

THE COMET

VIRGINIA BLANCHE ELLEN HARHART "Ginny"

Giggle! Giggle! Here comes "Ginny" down the hall with her three pals. Although very tiny, she certainly gets around. Guarding in basketball is definitely in her line, and she really keeps the ball away from her opponents. Although not very much interested in school, she has interests at Phoenix. How about it, "Joe"?

Volley Ball 1, 2, 3, Basketball 1, 2, 3, Baseball 1, 2, 3, Hockey 3

CLASS PROPHECY

After months of diligent work, our four mad scientists—Professors Scheffler, Noll, Skrapits, and Thompson—have perfected their remarkable time machine. At last the moment for the final test is at hand! As we step aboard, Jennie Engler, a petite little hostess conducts us to our quarters. After we have been strapped in our seats by the eminent Mr. Noll, the perils of this unique voyage are explained to us in detail by Mr. Thompson. A switch is thrown and we are off into the fourth dimension amid a shower of sparks and a roar of rockets. Since Mr. Scheffler has set a dial for the year 1947, we naturally find ourselves in 1958. Evidently he is still asleep at the switch.

Oops! What was that noise? To our dismay, we have crashed into the ultramodern Fleecycloud Apartment House. Dot and Bece come rushing toward us surrounded by little jitterbugs. Bece is kept busy teaching the latest dancing techniques to all the debutantes. Three efficient nurses, who live in the next apartment, rush to our aid. They are Pauline Schoeneberger, Kathleen Shotwell, and Margaret Fassman. Not far behind them the portly Dr. Searles waves his bottle of pink pills. We are immediately revived and decide to explore the rest of the building until our damaged ship can be repaired by William Schultz, master mechanic.

We find that Jane Bunn's experience as a dietitian has helped her to prepare healthful meals for Roderick Knecht, who is a captain in the Marine Corps.

The entire third floor is occupied by Floyd Schlegel, the great pianist. Donald Hahn is always near at hand to tune his pianos, while June Kresge always turns his music.

Frieda Sandt, the glamorous model, and Geraldine Wessner, mistress of ceremonies on the new radio show, "How to Satisfy Your Husband," occupy a nearby apartment.

Here we are in the lobby. Can the manager be our old friend Frederick Koehler? He drops everything (including his chic secretary, Margaret Rohn) and welcomes us warmly.

Look! There's Ethel Lauer, the country's leading entertainer and one of the most exclusive of the four hundred.

Occupying the cellar is Emery Engler. He acts as janitor for the building.

How about a breath of fresh air? Emerging into the bright sunshine, we almost collide with Robert Chapman who is selling his line of brushes and brooms from door to door.

Glancing into the barbershop across the street, we see Doris Buzzard wielding a razor over the head of Gerald Brinker, the inventor of Banana Oil Shaving Cream, which satisfies your hunger while you shave.

Let's hail a cab and look around a bit. Off we go weaving through traffic with Lester Fehnel as our driver.

On the left we see the palatial mansion of Harold Frable, the mayor. On the lawn is Frank Alich shrinking the grass with his new formula designed to replace lawn mowers.

Take a look at that modern high school up ahead. The newly appointed principal is Louise Way. Naomi Kreidler is her efficient secretary. The chemistry teacher is

Over there is Betty Karch's art studio. Her beautiful model is the world famous Jacquelyn Andrews.

We see that Peter Mendola is still spending his time at the Y. M. C. A. holding down the same old position.

Over on the corner is William Ervin. He is now being acclaimed international billiards champion by the experts.

Betty Lou Jacobs is the first woman to swim across the Atlantic Ocean.

This south wind makes it possible for us to smell James Hess' skunk form ten miles down the road.

Entering the new railroad station, we spy Eleanor Borger in the ticket office. We board the streamlined flyer bound for New York. Marcella Roth is the engineer and Harold Ruth is the conductor.

Sleeping in the seat next to us is Elton Blake, the traveling salesman. He is still able to convince the housewives, such as Gloria Rohn and Viola Hahn, of the superiority of the old-fashioned egg beater.

Arriving in New York and feeling very ambitious, we decide to walk uptown. Passing a famous theater, we learn that Eileen Hoffmeister and Joseph Herd are playing the romantic leads in the play "Strange Romance." What a team!

Not far away Michael Messinger is the head mechanic at the Smiling Irishman Garage.

We enter the Radio City Music Hall with the idea of relaxing. The feature movie is entitled "Red Head" and Eunice Rudge and Donald Burley play the title roles. Jack Kennedy is the voice behind the Movietone News Shorts.

Donald Rader is the polished master of ceremonies in one of the best stage shows in history. A bicycle act starring Jean and Marian Altemose is one of the featured attractions. Dotty Jane Swavely's acrobatic dance leaves everyone breathless. Supplying the music is Robert Smith and his swing band. Richard Breinig plays the drums and Theodora Brobst is the vocalist.

James Day is the expert stage manager, while Betty Schleicher designs those daring costumes.

In Madison Square Garden, Harold Meyer and Hunter Frey are battling for the lightweight boxing title. Robert Achenbach is the referee.

Here, too, we see a copy of Verna Rohrbach's last speech. She is an influential senator and is considered as a likely candidate for the presidency.

Passing the shipyards we meet Anna Yavorski. Her fame has spread far and wide for she is the Navy's first woman admiral. Francis Flick is first mate on her ship, while Don Wilkinson acts as cook. In charge of the radar equipment is Lester Kemmerer.

Chief of Staff of the United States Army is Howard Saylor, assisted by David Kromer. Mary Jane Tanzos, now a colonel, is head of Army Intelligence.

Edna Yeska has decided to devote her life to scientific research and is now planning a perilous trip to Mars. Her secretary, Irene Phillips, keeps notes on all Edna's discoveries.

LAST WILL AND TESTAMENT

We, the impossibles of the Class of 1945, being in a moronic state of mind at the present, do draw up our last will and testament as follows:

To our successors we bequeath our jolly school spirit, our good citizenship, and our high regard for the faculty.

To the juniors and sophomores we bequeath the super times we had as seniors.

We bequeath our following personal characteristics and cherished possessions to various members of our Alma Mater.

Frank Alich's algebra ability to Joe Herman. We can all dream, can't we, Mr. Cump?
. . . Jean and Marion Altemose's tandem bicycle to the Meyers twins. Keep the back pedals going, Elaine . . . Jacquelyn Andrews' love of life to all gloomy souls. Forget the frivolity . . . Mae Bachman's vigorous voice to Anita Martino. It's for louder cheers. . . . Grace Barrall's auspiciousness to John Searock. You'll find the dictionary in the rack at the back of the room . . . George Bensing's hearse to Mr. Wunderly's failures. Requiescat in pace! . . . Bernadine Bittenbender's diamond to Barbara Kleppinger. Save your twelve cents, Nolly . . . STUDENT COUNCIL

Representing the student body of Nazareth Senior High School, the Student Council consists of nine students—a boy and girl representative from each class, the three class presidents, and Miss Florence L. Nicholas, the principal, serving in an advisory capacity.

The Student Council this year was able to sponsor three dances—a Thanksgiving, a Patriotic, and a Barn Dance. Although refreshments were served at these parties and fine orchestras were provided, there was no admission charged, since the members of the Council were able to defray the expenses by selling refreshments at the football and basketball games.

The Council has maintained a complete, up-to-date file of college catalogues. The lost and found department, which is composed of members of the Council, held auctions in the auditorium with the articles that were not claimed. Besides this, they have a committee which cooperates in the care of the building. This year, two members of the Student Council were chosen to represent the student body on the assembly committee, which planned the annual assembly program.

PROM

A Patriotic dance was the feature of this school year's final festivity, the annual junior-senior frolic, held in the gym on May 11, from 8:00 until 11:30 o'clock.

A canopy of red, white, and blue crepe paper streamers, stretching from the center of the ceiling to huge clusters of flags on the walls, made a colorful background for the gay, flowing gowns of the girls and their darker-clothed partners. These gay couples danced to the tunes of the Arcadian's Orchestra. For those not wishing to dance, games were provided.

Refreshments were served, buffet style, to a large crowd of happy students and faculty guests in the lunchroom from tables colorfully decorated with flags.

SOCIAL ACTIVITIES

During this school year, the high school gymnasium was the scene of three delightful and entertaining parties, sponsored by the Student Council. The purpose of these social affairs was to promote more friendly relations among the students and faculty. On November 17, a Thanksgiving Dance was held; on February 20, a Patriotic Party; and on April 27, a novelty Barn Dance.

At the Thanksgiving Dance the walls were cleverly adorned with pennants of different schools, and chrysanthemums were placed on the tables in the lunchroom. At the Patriotic Party the gym took on another aspect as flags were the predominating factor in the decorating scheme. The Barn Dance was enlivened by the wearing of gay and colorful costumes—the boys wore overalls and loud plaid shirts while the girls wore gay cotton frocks.

The music for these dances was furnished by the Nomads' orchestra. Games were played by those who did not wish to dance, and, during intermission, refreshments were served in the lunchroom. Each of these parties had a large attendance and was thoroughly enjoyable both to students and teachers.

FOOTBALL

High hopes were held for the returning nine lettermen to create in this year's team an unbeatable combination. However, injuries, bad weather, and miscellaneous difficulties prevented these hopes from materializing. Although the season was as a whole, poor, the brilliant playing in the league games won the league championship award. The record for the season is two wins, six losses, one tie.

OUR CLASS

(With apologies to Joyce Kilmer)

I think that I shall never see
Another class just such as we.
A class who always tried its best
To give the teachers peace and rest ? ? ?
A class that studied hard alway
And did its homework every day! ! !
A class that never broke a rule,
Because the students all loved school—
A class that always could be found
Busily working without sound.
A class that you can't recognize
Is this year's seniors in disguise.

—Anna Yavorski

FAILING FREDDIE

In football Freddie was a whiz
But alas! he failed his chemistry quiz;
On turkey day on the bench he wailed,
If only poor Freddie hadn't failed!

In basketball he scored points galore
But, doggone, he needed to study English more;
For a while Freddie sat on the bench in grief,
But soon he studied and turned over a new leaf.

Freddie worked hard, and his marks were high
And so he kissed failing grades goodbye.
Now Freddie's free from books and learning
And at last he follows his lifelong yearning.

Freddie joined the Navy to keep his country free,
But alas, its been five months, and he hasn't seen the sea;
So henceforth let Hitler and the Japs beware,
Because our fighting Freddie will soon get in their hair.

The Moth is found in the moth proof chest,

ADVERTISEMENTS

In the earliest times traders and merchants made themselves known and drew attention to their products by hiring public criers, who wandered through the streets shouting about their wares.

Thomas Lipton actually dressed up pigs and paraded them through the streets of Glasgow to advertise his ham and bacon business. Later another unique advertising scheme used by Lipton was to have great tea cases thrown into the ocean to float where steamer passengers would glimpse "Lipton's Teas" bobbing on the water.

Later, business men learned that newspapers, books, and magazines offered another opening for advertising. By inviting attention and winning interest in their products, sales and profits skyrocketed.
